1 August 2014

Dear DUSTOFF Commander:

The DUSTOFF Association held their 35th annual reunion in April 2014. At the reunion, we presented awards to SFC Daniel Stephenson for the DUSTOFF Medic of the Year, to SFC Cory Barnes for the DUSTOFF Crew Chief of the Year, and CW4 Joshua Parker for the DUSTOFF Aviator of the Year and to the crew of DUSTOFF 68 C/2-3 GSAB for the DUSTOFF Rescue of the Year. These awards are sponsored by the AirMethods Corporation, Breeze Eastern, the EADS North American, and the Sikorsky Aircraft Corporation respectively. We are now seeking nominations for our new awards program for next year's presentations. I know everyone is busy, especially with units on the front line of our nation's Global War on Terrorism, but we owe it to our Soldiers to take time to recognize them for their often heroic and monumental efforts. All of last year's awardees were nominated by Unit Commanders from their forward deployed sites in Afghanistan. Even if they may not win the award, your Soldiers will know that you have taken time to recognize them for their efforts. The criteria for the four awards are:

- a. Crew Chief of the Year: For a lifetime achievement or for a specific mission.
- b. Medic of the Year: For a lifetime achievement or for a specific mission
- c. Aviator of the Year: For a lifetime achievement or for a specific mission
- b. Rescue of the Year: **For rescue missions between 1 October 2013 and 30**

September 2014.

Please submit your nomination to the DUSTOFF Association no later than 30 November 2014, so that they may be considered by the Executive Council. We understand that this will be difficult given the current operational tempo, but we will be flexible with the unit commanders. I have enclosed the required nomination format to be used for your submission. If you choose, you may e-mail your entry to: the Executive Director at executivedirector@dustoff.org. If you have any questions, please contact the DUSTOFF Executive Director, Dan Gower at (325)388-2631 or his cell phone (210) 379-3985.

We are always seeking stories and photographs from active DUSTOFF units for our newsletters. Please take the time and send us the good news and great stories of what your units are doing each day. This Association is the only organization which works to preserve the history, to include lessons learned, traditions, friendships and memories of DUSTOFF. To accomplish the organization's goal, we must ensure a strong and growing membership. Last year, we added nearly 75 new members, this year we want to add even more.

I hope to see you at our next DUSTOFF Reunion in Nashville, TN, March 26 through 29 2015. This is a great opportunity to exchange ideas, recognize Soldiers, and see old friends. This year's reunion hotel will fill up rapidly so make your reservations now. Come and play some golf and relax in a great resort city. Details are in the DUSTOFFer - it's online at <http://dustoff.org>

Best wishes and DUSTOFF!
